This week, Joshua J. McElwee, NCR Vatican correspondent, reports from a recent high-profile conference at the Vatican on nuclear disarmament. He'll explain what Pope Francis said about nuclear weapons, and whether the world is listening to Catholic leaders. Later, NCR's Michael Sean Winters and Heidi Schlumpf are back with a recap of the bishops meeting in Baltimore earlier this week. They talk about what election results mean for the future of U.S. church leadership. The conversation also touches on some noteworthy action items from the meeting, including the vote to create a pastoral plan on marriage and family life.
